Farm Crawl Stops

STOP 1
Community Garden

Learn: About the Township of Tiny Local Food Project, local food initiatives happening in the community, and gardening practices.
Do: Receive bags to store merchandise purchased throughout the day.
Where: Perkinsfield Park,
43 County Rd 6 S

STOP 2
Windlee Farm Sugar Bush

Learn: How maple syrup is made, and all about the trees that produce this sweet water.
Do: Buy maple products, sample maple treats, and tour the sugar bush.
Where: North end of Baseline Rd

STOP 3
Dubeau Family Farm

Learn: Sustainable growing practices such as green manure, soil management, and crop rotation.
Do: Buy a wide range of fresh produce, baked goods, and preserves. Tour the farm.
Where: Corner of Concession 11 E and County Rd 6 N, Perkinsfield

STOP 4
Monpiero Farm

Learn: Progressive, innovative, and environmentally responsible farming initiatives. Be blown away by the resourcefulness of manure, and the pros of soil analysis.
Do: Tour the large scale poultry and cash crop farm.
Where: Cedar Point Rd, Lafontaine

STOP 5
Bulbs of Fire Garlic

Learn: A new garlic recipe, how garlic is grown, and the importance of having rabbits and organic farming practices.
Do: Buy garlic, garlic tools, dips, spreads and eggs.
Where: Corner of Methodist Point Rd and Dorion Rd
