# **ECONOMIC VALUE OF AGRICULTURE**

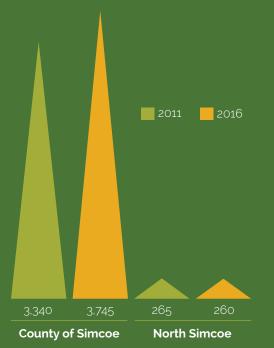

Agriculture and agri-food play an **important role** in the federal and provincial economies. In Canada, the industries **provide 1 in 9 jobs**, employ **2 million** people and account for 7% of total gross domestic product (GDP).

The North Simcoe Agriculture sector adds \$6.3 million in wages to the economy and 260 jobs. Agriculture production is booming in North Simcoe even though there is a slight decrease in jobs since 2011.

It is predicted that by 2024, the County of Simcoe population will increase by 11%! That's an increase of **50,000 people** in six years. We rely on the Agriculture sector not only for 3.745 jobs in the County, but also for providing local resources such as fresh crops and products for animals all around.

North Simcoe is home to 260 jobs in the Agriculture sector providing **\$84 million** worth of exports for North Simcoe. Agriculture ranks as the ninth biggest exporter for the area.
